A family with more than one enrolled student may only select one payment plan for all students in the family; incidentals and tuition will be due the same day of the month.

We strive to maintain an affordable yet balanced tuition structure and appreciate the financial commitment our families make to attend The Village School of Naples. Please contact us if you would like to discuss our Tuition Assistance Programs. We are part of the Florida Education Voucher Program and accept Step-Up Scholarships. Applications for Step Up open on February 1, 2025. Please note that prior to applying for TVS Tuition Assistance you must apply for the Florida Education Voucher Program. State Scholarships will be credited to your account as we receive them. Your tuition payments will be greater at the beginning of the school year and decrease as we receive the funds. We receive the funds after the parent approves the quarterly distribution.
